VENDOR SPACE ASSIGNMENTS: ***NEW*** Only Full-Season Vendors will be guaranteed the same space every week. Weekly vendors may be moved to different spaces.

ON-SITE STORAGE: ***NEW*** Full Season Vendors can store tents, freezers and other equipment in locked shed in between market days. Vendors must fill out Storage Waiver Form and Pay a \$25 Storage Fee.

FARM TRUCK AND TRAILER PARKING: Most farmers and vendors can keep their vehicles next to their stand.

TENTS & TABLES Vendors, who are not in a Market Tent or Shed, must use their own market tents with weights. All vendors must bring their own tables, chairs, supplies and equipment.

CANCELLATION POLICY: Email Manager at midtownfarms1@yahoo.com by noon on Thursday to cancel. Weekly Vendors will be charged the full fee if space is set up and they don't show; unless it's an emergency. For emergencies on Saturday morning, call or text the Manager at **314-913-6632.**

HISTORIC SITE: Our site is known as "The Market in the Loop" in University City, a privately-owned historic market facility built in the 1970's for a farmers market. It is a U-shaped permanent wood structure with a roof & doors. We use the Market Sheds; the Courtyard in the middle; part of the Public Parking Lot; and the Front Plaza for Special Events.
